

Alcohol Free Foam Hand Sanitiser – 6x1L Auto Cartridges

Variant code: HS11.50.73

Modu Hygiene Alcohol-Free Foam Hand Sanitiser: Gentle, Effective Protection

Ensure superior hand hygiene without harsh chemicals with Modu Hygiene's **Alcohol-Free Foam Hand Sanitiser**. This gentle yet powerful formula effectively eliminates germs and bacteria, providing a safe and pleasant hand sanitising experience for all users. Perfect for businesses across various sectors, including healthcare, education, hospitality, and food processing, our **alcohol-free hand sanitiser** is kind to skin, making it ideal for frequent use.

Key Features & Benefits:

- **Effective Germ Protection:** Our advanced formula is proven to kill a wide range of common germs and bacteria, helping to maintain a hygienic environment and reduce the risk of cross-contamination.
- **Gentle on Skin:** Free from alcohol, this **foam hand sanitiser** won't dry out or irritate skin, even with repeated use. It's a perfect choice for sensitive skin and environments where frequent hand sanitising is required.
- **Luxurious Foam Texture:** The rich, foaming lather provides excellent coverage and a pleasant application experience, encouraging regular use among staff and visitors.
- **Cost-Effective Solution:** The foaming action dispenses less product per use compared to gel sanitisers, making it a more economical choice for your business in the long run.
- **Suitable for Various Industries:** Ideal for hospitals, schools, offices, restaurants, care homes, and any business prioritising hygiene and well-being.
- **Bulk Purchase Options:** Available in various sizes to suit your specific needs and consumption levels, ensuring you

always have a reliable supply of **hand sanitiser**.

Brand It Your Way: Create Your Own Custom Labels with Modu Hygiene!

Looking to elevate your brand presence and create a cohesive look throughout your premises? With Modu Hygiene, you can easily **create your own custom labels** for our Alcohol-Free Foam Hand Sanitiser. This unique service allows you to add your company logo, branding colours, and even specific messaging directly onto the sanitiser bottles.

Here's how you can create your personalised hand sanitiser:

Create a Free Personalised Account:

Sign up for a free account on the Modu Hygiene website. This unlocks access to our customisation tools and exclusive features.

Select Your Products: Choose the Modu Hygiene Alcohol-Free Foam Hand Sanitiser and the desired quantity.

Design Your Label: Our user-friendly online design tool allows you to upload your logo, incorporate your brand colours, and add any text you wish to include on the label. Preview your design in real-time to ensure it meets your exact specifications.

Submit Your Design: Once you're happy with your custom label design, simply submit it through your account.

Receive Your Branded Sanitiser: We'll take care of the printing and application, delivering professionally branded **alcohol-free hand sanitiser** directly to your business.

Benefits of Custom Labelled Hand Sanitiser:

- **Enhanced Brand Visibility:** Reinforce your brand identity every time someone uses the hand sanitiser.
- **Professional Appearance:** Create a consistent and professional look throughout your facilities.
- **Increased Brand Awareness:** Subtly promote your brand to visitors and staff.
- **Demonstrate Attention to Detail:** Show your commitment to hygiene and brand consistency.

Invest in the health and safety of your environment while strengthening your brand identity. Choose Modu Hygiene's Alcohol-Free Foam Hand Sanitiser and take advantage of our easy **custom label creation** process. **Create your free personalised account today** and start designing your branded hygiene solutions!
