Alcohol Gel Hand Sanitiser - 6x800ml Pouches - Modu Hygiene

Variant code: HS70.50.89

Modu Hygiene Alcohol Gel Hand Sanitiser - 6 x 800ml Pouches: Superior Hygiene with Custom Branding Options

Ensure exceptional hand hygiene for your business with the **Modu Hygiene Alcohol Gel Hand Sanitiser**. This bulk pack contains **6 x 800ml pouches** of our effective, fast-drying alcohol-based hand sanitiser, providing a reliable solution for maintaining a clean and safe environment for staff and customers alike. Ideal for high-traffic areas in offices, healthcare facilities, hospitality venues, educational institutions, and more, this sanitiser helps to prevent the spread of germs and bacteria, promoting well-being and confidence.

Our **Alcohol Gel Hand Sanitiser** is formulated with a high alcohol content to deliver rapid and effective sanitisation, leaving hands feeling clean and refreshed without a sticky residue. The convenient 800ml pouch size is designed for use with compatible dispensers, offering a cost-effective and hygienic dispensing solution. By choosing Modu Hygiene, you're investing in a trusted product that meets stringent hygiene standards.

Want to elevate your brand presence? With Modu Hygiene, you can! Create a free personalised account today and unlock the ability to add your **own labels**, including your **logo** and **branding**, to these Alcohol Gel Hand Sanitiser pouches (and many other Modu Hygiene products). This unique customisation option allows you to reinforce your brand identity, create a professional and cohesive look throughout your premises, and leave a lasting impression on your clients and visitors.

Benefits of Modu Hygiene Alcohol Gel Hand Sanitiser (6 x 800ml Pouches):

- **Effective Hand Sanitisation:** High alcohol content for rapid and reliable germ killing.
- **Bulk Pack:** Cost-effective solution with 6 x 800ml pouches, ideal for businesses.
