

**Alcohol Liquid Hand Sanitiser  
– 6x1L Cartridges –  
DISCONTINUED – USE  
HS23.50.89**

**Variant code: HS23.50.90**

Alcohol rub for sanitising hands. Application to dry, cracked or cut skin should be avoided. Built in conditioners keep skin soft, even when used frequently. Non-sticky and non-tainting.

Conforms to EN1276; EN14476 – killing 99.99% of most common bacteria and enveloped viruses.
