Modu Hygiene Alcohol Gel Hand Sanitiser: Your Branded Defence Against Germs

Ensure superior hand hygiene for your business with **Modu Hygiene's Alcohol Gel Hand Sanitiser**. This powerful and effective sanitiser is formulated with a high percentage of alcohol to rapidly kill 99.9% of common germs and bacteria, helping to protect your staff, customers, and visitors. Ideal for use in offices, healthcare settings, hospitality, education, and any high-traffic environment where maintaining hygiene is paramount.

Our quick-drying, non-sticky formula leaves hands feeling clean and refreshed without the need for water. Available in convenient bulk sizes, Modu Hygiene's Alcohol Gel Hand Sanitiser offers a cost-effective solution for maintaining a hygienic environment.

Boost Your Brand with Customised Hand Sanitiser Labels!

Looking to enhance your brand presence and reinforce your company image? With Modu Hygiene, you can create **custom-labelled hand sanitisers** featuring your own logo and branding. This is a fantastic opportunity to:

- **Increase brand visibility:** Every time someone uses the sanitiser, they'll see your logo.
- **Reinforce brand identity:** Consistent branding across all touchpoints strengthens your company image.
- **Create a professional impression:** Show your commitment to hygiene and attention to detail.
- **Offer a personalised touch:** Provide a memorable and thoughtful amenity for clients and staff.

Creating your own branded hand sanitiser labels is easy with a free Modu Hygiene personalised account! Simply sign up for your free account today and unlock the ability to design and preview your custom labels online. Upload your logo, add

your company name or message, and create a sanitiser that truly represents your brand.
