Antibacterial & Antiviral Clear Foam Soap - 6 x1L Cartridges

Variant code: HS21.50.65

Modu Hygiene Antibacterial & Antiviral Foam Soap is a mild and effective, non-perfumed, non-tainting hand cleanser safe for use in food preparation areas and healthcare environments or any high traffic locations where hand hygiene is paramount such as schools, offices, retail spaces, hospitality and leisure facilities.

Certified to EN1276, EN14476 and EN1499.

Our 1L Antibacterial & Antiviral Foam Soap cartridges are compatible with our own range of Cartridge Soap Dispensers.

Sold as a box of 6 x 1L cartridges. No MOQs.

Key Features & Benefits:

- **Powerful Antibacterial & Antiviral Action:** Effectively kills a broad spectrum of bacteria and viruses, meeting stringent hygiene standards for your business.
- **Luxurious Foam Lather:** Provides a pleasant and satisfying hand washing experience, improving user compliance.
- **Cost-Effective:** The foaming action dispenses less soap per wash compared to liquid soap, making it a more economical choice for high-usage areas.
- **Bulk Availability:** Available in various bulk sizes to suit the specific needs of your business, reducing the frequency of refills and streamlining maintenance.
- **Ideal for Diverse all Sector Settings:** Perfect for hospitals, clinics, restaurants, kitchens, schools, offices, and any environment where hygiene is paramount.

Instructions for use
Wet hands, dispense a small amount of soap onto hands, wash thoroughly, rinse and dry carefully.
