

Antibacterial Blue Lotion Soap – 6 x 1L Cartridges – Auto Dispenser Compatible

Variant code: HS13.50.81

Modu Hygiene's Antibacterial Blue Lotion Soap is a non-perfumed, non-tainting hand soap ideal for use in general food preparation and medical environments. Contains skin emollients leaving hands feeling smooth and conditioned after use.

Ensure exceptional hand hygiene and elevate your brand image with Modu Hygiene's Antibacterial Blue Lotion Soap. Specifically formulated for demanding environments where infection control is paramount, this high-quality lotion soap effectively kills a wide spectrum of bacteria, providing a safe and hygienic experience for your users.

Our Antibacterial Blue Lotion Soap is gentle on the skin despite its powerful cleansing action, making it ideal for frequent use in healthcare facilities, food processing plants, schools and colleges, and other high-traffic areas. Its mild formulation helps to prevent dryness and irritation, promoting regular use for better hand hygiene.

Our Antibacterial Blue Lotion Soap cartridges are compatible with our range of [soap dispensers](#).

Sold in boxes of 6 x 1L cartridges. No MOQs.

Key Features & Benefits:

- **Powerful Antibacterial**
Action: Effectively eliminates a broad range of bacteria, helping to reduce the risk of cross-contamination.
- **Gentle on Skin:** Formulated to be kind to hands, even with frequent washing.
- **Unfragranced:** Leaves hands feeling fresh and clean without a strong fragrance.
- **Cost-Effective:** Available in case of 6 x 1L cartridges in any volume to suit your business needs.
- **Ideal for High-Risk**
Environments: Perfect for hospitals, clinics, kitchens, schools and colleges, and any setting where hygiene is critical.
