

Blue Bactericidal Lotion Soap – 6x800ml Pouches – Modu Hygiene

Variant code: HS70.50.81

Modu Hygiene Blue Bactericidal Lotion Soap: Powerful Hygiene, Personalised Branding

Ensure the highest standards of hygiene and showcase your brand with Modu Hygiene's Blue Bactericidal Lotion Soap. This premium, high-performance lotion soap is specifically formulated to effectively kill harmful bacteria, providing a safe and clean environment for your staff and customers. Ideal for healthcare facilities, food processing plants, and any business where stringent hygiene is paramount, our bactericidal soap offers a gentle yet powerful cleansing action.

Our Blue Bactericidal Lotion Soap is dermatologically tested and enriched with moisturising ingredients to prevent dryness, even with frequent hand washing. Its mild formula ensures a pleasant user experience while delivering exceptional germ-killing efficacy. Choose Modu Hygiene for a reliable and effective hand hygiene solution that meets the most demanding requirements.

Make it Uniquely Yours: Customise Your Soap with Your Own Branding!

Stand out from the competition and reinforce your brand identity with Modu Hygiene's easy and convenient **customised labelling** service. With a free personalised account, you gain access to our simple online design tool. Effortlessly upload your **logo**, incorporate your brand colours, and add your unique messaging to create professional-looking labels for your Modu Hygiene Blue Bactericidal Lotion Soap.

Imagine your company's **logo** and branding proudly displayed in your washrooms, demonstrating attention to detail and enhancing your professional image. Creating your own **branded soap dispensers** is a simple yet impactful way to elevate your customer experience and strengthen brand recognition.

Here's how easy it is to create your own labels:
