Modu Excel Pro Cartridge Dispenser - White Dispenser/White Pushbar C01

Variant code: BC234PRO

Modu Excel Pro Cartridge Dispenser is a premium wall-mounted hygiene dispenser designed to provide reliable, hygienic and cost-effective dispensing of cartridge-based hand soaps, sanitisers and lotions. Featuring a sleek **white dispenser with matching white pushbar**, this professional dispensing system combines modern aesthetics with dependable performance, making it ideal for a wide range of commercial washroom and hand hygiene environments.

Designed for use with sealed cartridge refills, the Excel Pro helps minimise the risk of product contamination while ensuring a consistently clean and hygienic user experience. The robust pushbar mechanism delivers a controlled and measured dose with every use, reducing product wastage and helping organisations manage consumable costs more effectively. Its durable construction is designed to withstand the demands of high-traffic environments, while the smooth exterior surfaces allow for quick and easy cleaning.

Combining versatility, reliability and professional styling, the Modu Excel Pro is compatible with a wide range of Modu Hygiene soap, sanitiser and lotion cartridges. Its clean white finish complements modern washroom designs, whilst the simple wall-mounted installation makes it an excellent choice for businesses seeking a dependable hand hygiene dispensing solution.
