Variant code: BC234PRO

Modu Excel Pro Cartridge Dispenser – White Dispenser/White Pushbar: Premium Hygiene, Effortless Dispensing

Elevate your washroom experience with the sleek and reliable **Modu Hygiene Modu Excel Pro Cartridge Dispenser – White Dispenser/White Pushbar**. This high-quality dispenser offers a hygienic and cost-effective solution for dispensing a variety of Modu Hygiene's cartridge-based hand soaps, sanitisers, and lotions. Its clean **white design** and matching **white pushbar** provide a professional and modern aesthetic that seamlessly integrates into any commercial environment, from offices and restaurants to healthcare facilities and schools.

Key Features & Benefits for Your Business:

- **Hygienic Cartridge System:** Designed for use with Modu Hygiene's sealed cartridges, this dispenser minimises the risk of contamination, ensuring a consistently clean and safe environment for your users.
- **Effortless and Reliable Dispensing:** The smooth and sturdy **white pushbar** mechanism provides a consistent and measured dose of product, reducing waste and ensuring user satisfaction.
- **Durable and Easy to Maintain:** Constructed from robust materials, the Modu Excel Pro dispenser is built to withstand high-traffic environments. Its smooth surfaces are easy to clean and maintain, saving you time and effort.
- **Cost-Effective Solution:** The controlled dispensing of cartridge refills helps to reduce product overuse, leading to significant cost savings over time.
- **Versatile Application:** Compatible with a wide range of Modu Hygiene's cartridge refills, including hand soaps, hand sanitisers, and hand lotions, allowing you to customise your washroom offering to your specific needs.
- **Sleek and Professional Design:** The clean

white dispenser and **white pushbar** offer a modern and understated elegance that enhances the overall look of your washroom facilities.

- **Easy Installation:** Designed for straightforward and secure wall mounting.

The Modu Hygiene Modu Excel Pro Cartridge Dispenser in white is the ideal choice for businesses seeking a reliable, hygienic, and aesthetically pleasing dispensing solution. Its user-friendly design and compatibility with Modu Hygiene's range of cartridges make it a versatile and cost-effective addition to any commercial washroom.
