

Folded Hand Towel Dispenser – Excel – Plastic – Large – White Printed Sterling Washrooms

Variant code: BC528W.63

Modu Hygiene Folded Hand Towel Dispenser – Excel – Plastic – Large – White Printed Sterling Washrooms

Ensure efficient and hygienic hand drying in high-traffic washrooms with the **Modu Hygiene Folded Hand Towel Dispenser – Excel – Plastic – Large – White Printed Sterling Washrooms**. This robust and practical dispenser is specifically designed for commercial environments, offering a reliable and cost-effective solution for dispensing folded hand towels.

Key Features for Your Business:

- **Large Capacity:** Minimises the need for frequent refills, making it ideal for busy washrooms in offices, restaurants, schools, healthcare facilities, and more.
- **Durable Plastic Construction:** Built to withstand the demands of everyday use in commercial settings, ensuring longevity and reducing replacement costs.
- **Hygienic Dispensing:** Promotes a clean environment by dispensing individual folded hand towels, reducing the risk of cross-contamination compared to shared cloth towels.
- **White Finish with Printed Sterling Washrooms Branding:** Offers a clean and professional aesthetic, subtly showcasing a commitment to quality washroom provisions.
- **Compatible with Folded Hand Towels:** Specifically designed for efficient dispensing of various folded hand towel types (e.g., C-fold, Z-fold, V-fold), providing flexibility for your supply choices.
- **Easy to Install and Maintain:** Designed for straightforward wall mounting and simple refilling, saving time and effort for your maintenance team.
- **Cost-Effective Solution:** Reduces paper wastage by dispensing one towel at a

time, contributing to lower operational costs over time.

Why Choose the Modu Hygiene Excel Folded Hand Towel Dispenser?

This **large capacity hand towel dispenser** is the perfect choice for businesses seeking a reliable, hygienic, and cost-efficient hand drying solution. Its **durable plastic construction** ensures long-lasting performance in demanding environments, while the **white finish** provides a clean and professional look. The compatibility with various **folded hand towels** offers flexibility, and the **hygienic dispensing** mechanism promotes a healthier washroom environment for your users. The subtle **Sterling Washrooms branding** adds a touch of quality assurance.

Upgrade your washroom facilities with the **Modu Hygiene Folded Hand Towel Dispenser – Excel – Plastic – Large – White Printed Sterling Washrooms** and experience the benefits of efficient and hygienic hand drying.
