Jumbo Plastic Toilet Roll Dispenser. Takes up to a 400m Roll - White Printed Sterling Washrooms

Variant code: BC337W.63

Modu Hygiene Jumbo Plastic Toilet Roll Dispenser - 400m Capacity, White Printed Sterling Washrooms

Ensure continuous availability of toilet tissue in high-traffic washroom environments with the robust and practical **Modu Hygiene Jumbo Plastic Toilet Roll Dispenser**. Designed to accommodate large **jumbo toilet rolls** up to 400m in length, this dispenser significantly reduces the frequency of refills, saving you time and maintenance costs.

Constructed from durable white plastic and featuring a clean, professional design with the subtly printed **Sterling Washrooms** branding, this dispenser is a reliable and hygienic solution for any commercial setting. Its sturdy construction ensures longevity, even in demanding environments.

Key Features & Benefits:

- **High Capacity:** Holds **jumbo toilet rolls** up to 400m, minimising refill frequency and maintenance.
- **Durable Plastic Construction:** Ensures longevity and resistance to wear and tear in busy washrooms.
- **Hygienic Solution:** Enclosed design protects toilet tissue from contamination and moisture.
- **Cost-Effective:** Reduces the need for frequent roll changes, saving time and resources.
- **Professional Appearance:** Clean white finish with subtle **Sterling Washrooms** branding integrates seamlessly into various washroom aesthetics.
- **Easy to Install and Maintain:** Designed for straightforward mounting and simple cleaning.
- **Ideal for High-Traffic Areas:** Perfect for offices, schools, restaurants, hotels, factories, and other commercial
