Toilet Roll Dispenser - Mini Jumbo - Plastic - White

Variant code: BC325W

The Mini Jumbo Toilet Roll Dispenser in white is a practical, high-capacity solution designed to keep washrooms running smoothly in busy environments. Compatible with mini jumbo rolls up to 250m, it helps reduce refill frequency, minimise maintenance time and ensure a consistent supply of toilet paper for users.

Constructed from robust, vandal-resistant ABS plastic, this dispenser is built to withstand the demands of high-traffic commercial settings. Its lockable design helps prevent tampering and misuse, making it ideal for public and shared washrooms where durability and control are essential.

The enclosed design protects toilet paper from dust and moisture, supporting better hygiene standards, while the clean white finish offers a professional appearance across any washroom environment.

Designed with cleaning teams in mind, this dispenser is simple to install, easy to refill and features a clear viewing window, allowing caretakers to quickly check paper levels at a glance and stay ahead of maintenance needs.
