Unperfumed Skin Conditioning Cream - 6x1L Cartridges - Modu Hygiene

Variant code: HS23.50.94

Modu Hygiene Unperfumed Skin Conditioning Cream - 6 x 1L Auto Cartridges

Protect and Nourish Hands Before and After Work

Ensure optimal hand care and protection for your workforce with Modu Hygiene's Unperfumed Pre-Work Conditioning Cream. This bulk pack contains 6 x 1-litre auto cartridges, specifically designed for use in automated dispensing systems, providing a cost-effective and hygienic solution for businesses across various industries.

Our unperfumed formula is ideal for sensitive skin and environments where fragrance is undesirable. This rich conditioning cream creates a protective barrier on the skin, helping to shield against the drying and irritating effects of harsh chemicals, detergents, and physical tasks encountered during the workday. By nourishing and moisturising the skin *before* work begins, it helps to maintain skin health, reduce the risk of dryness, cracking, and dermatitis, ultimately contributing to improved employee well-being and productivity.

Key Features and Benefits:

- **Pre-Work and Post-Work Protection:** Forms a protective barrier against workplace irritants and softens hands after working.
- **Unperfumed Formula:** Suitable for sensitive skin and fragrance-free environments.
- **Nourishing and Moisturising:** Helps prevent dryness and cracking.
- **Bulk Pack (6 x 1L):** Cost-effective solution for high-usage environments.
- **Auto Cartridges:** Designed for hygienic and efficient dispensing in compatible systems.
- **Promotes Skin Health:** Reduces the risk
