Modu Hygiene Unperfumed Pre-Work Conditioning Cream – 6x1L Cartridges: Protect and Prepare Skin Without Irritation

Ensure optimal skin health and protection for your workforce with Modu Hygiene's **Unperfumed Pre-Work Conditioning Cream**. This bulk pack of 6 x 1-litre cartridges provides a cost-effective and reliable solution for businesses seeking to prevent dryness, cracking, and irritation caused by frequent hand washing, exposure to workplace elements, and the use of personal protective equipment (PPE).

Formulated to be gentle on sensitive skin, our **unperfumed pre-work cream** creates a protective barrier that helps to lock in moisture and shield against potential irritants. Its non-greasy formula absorbs quickly, allowing workers to get straight to their tasks without compromising dexterity or grip. Ideal for use in industrial settings, healthcare environments, food processing facilities, and any workplace where skin protection is paramount.

The cream Complies with **EC Cosmetic Products Regulation (EC) No 1223/2009**.

Biodegradable to EC guidelines (greater than 80% biodegradable in 28 days).

Key Features:

- **Unperfumed Formula:** Suitable for sensitive skin and environments where fragrance is undesirable.
- **Pre-Work Protection:** Creates a protective barrier against moisture loss and irritants.
- **Conditions and Moisturises:** Helps to prevent dryness, cracking, and discomfort.
- **Non-Greasy:** Absorbs quickly without leaving a sticky residue.
- **Bulk Pack:** Economical pack of 6 x 1-litre

cartridges for high-usage environments.

- **Hygienic Cartridge System:** Designed for use with compatible Modu Hygiene dispensers, ensuring controlled and hygienic dispensing.
- **Cost-Effective:** Reduces waste and provides a long-lasting solution for workplace skin protection.
