

Antibacterial Clear Foam Soap – 6 x1L Cartridges for Auto Dispenser – Millwood Marketing

Variant code: LABEL.JF10MWA

Modu Hygiene's Antibacterial Clear Foam Soap is a mild and effective, non-perfumed, non-tainting hand cleanser safe for use in food preparation areas and healthcare environments, as well as any high traffic locations where hand hygiene is paramount such as schools, offices, retail spaces, hospitality and leisure facilities. Our luxurious foam creates a rich lather that cleanses thoroughly while being economical in use, making it a smart and sustainable choice for your business.

The effective broad spectrum antibacterial formula is certified to EN1276 and EN13727 killing 99.9% germs in 30 seconds. Suitable for use in a wide range of applications including medical and food preparation areas.

Does not contain Triclosan.

Our Antibacterial Clear Foam Soap cartridges are compatible with our range of [soap dispensers](#).

Available in boxes of 6 x 1L cartridges. No MOQs.

Key Features & Benefits:

- **Effective Antibacterial Action:** Formulated to kill common bacteria, promoting a healthier and safer environment for your staff and visitors.
- **Gentle on Skin:** Despite its powerful antibacterial properties, our foam soap is designed to be mild and non-irritating, even with frequent hand washing.
- **Economical Foam Format:** Creates a rich lather with less product compared to traditional liquid soaps, reducing consumption and cost.
- **Ideal for High-Traffic Areas:** Perfect for use in washrooms, kitchens, and any area where hand hygiene is critical.
- **Bulk Availability:** Available in various sizes to suit your business needs and ensure consistent supply.
- **Enhance Your Brand with Custom Labels:** Take your professional image to

the next level! With Modu Hygiene, you can easily create **your own customised labels** for our Antibacterial Foam Soap.
