

Anti-Bacterial Blue Lotion Soap – 6x1L Cartridges – Customisable

Variant code: HS23.50.81

Modu Hygiene's Anti-Bacterial Blue Lotion Soap is a non-perfumed, non-tainting hand soap ideal for general food preparation and medical environments. Contains skin emollients leaving hands feeling smooth and conditioned.

Our 1L Anti-Bacterial Blue Lotion Soap cartridges are compatible with our own range of [Cartridge Soap Dispensers](#).

Sold as a box of 6 x 1L cartridges.

Key Features:

- **Powerful Anti-Bacterial Action:** Effectively eliminates a broad range of bacteria, helping to reduce the risk of cross-contamination.
- **Gentle on Skin:** Formulated to be kind to hands, even with frequent washing.
- **Unscented** Leaves hands feeling fresh and clean with a subtle, pleasant scent.
- **Cost-Effective:** Available in bulk sizes to suit your business needs and help manage operational costs.
- **Ideal for High-Risk Environments:** Perfect for hospitals, clinics, kitchens, schools, and any setting where hygiene is critical.
- **Customisable Labels:** Add your own logo and branding to reinforce your brand identity.
- **Promotes Good Hand Hygiene:** Helps maintain a clean and healthy environment.

Ensure exceptional hand hygiene and elevate your brand image with Modu Hygiene's Anti-Bacterial Blue Lotion Soap. Specifically formulated for demanding environments where infection control is paramount, this high-quality lotion soap effectively kills a wide spectrum of bacteria, providing a safe and hygienic experience for your users. Contains skin emollients leaving hands feeling smooth and conditioned.

Cosmetic Products Regulation (EC) No 1223/2009.

Does not contain Triclosan.

Our Anti-Bacterial Blue Lotion Soap is gentle on the skin despite its powerful cleansing action, making it ideal for frequent use in healthcare facilities, food processing plants, educational institutions, and other high-traffic areas. Its mild formulation helps to prevent dryness and irritation, promoting hand hygiene compliance.

Customise Your Lotion Soap with Your Own Brand Labels

Make a lasting impression and reinforce your brand identity with Modu Hygiene's unique custom labelling service. Build your brand value and stand out in a crowd by adding your own logo and branding directly to our Anti-Bacterial Blue Lotion Soap bottles. This personalised touch enhances your professional image, creates a cohesive brand experience, and reinforces brand recognition with every use.

Creating your own branded Anti-Bacterial Blue Lotion Soap is simple with a free Modu Hygiene customer account:

Sign up for your free Modu Hygiene customer account: This unlocks access to our customisation tools.

Find our Custom Branded Labelling Tool: Select our 'Custom Branded Product Labels' from 'My Resources'.

Upload your logo and branding elements: Our user-friendly platform allows you to easily search for Anti-Bacterial Blue Lotion Soap and upload your design.

Design your custom label: Preview how your logo and branding will look on the Anti-Bacterial Blue Lotion Soap packaging.

Place your order: Once you are satisfied with your design, simply place your order, and we'll take care of the rest.

By choosing a custom branded Anti-Bacterial Blue Lotion Soap, you're not just investing in quality hand hygiene; you're investing in your brand. **Sign up for your free customer account today to get started.**
