

Perfumed After-Work Reconditioner Cream – 6x1L Cartridges Auto Cartridges

Variant code: HS13.50.95

Modu Hygiene Perfumed After-Work Reconditioner Cream – 6 x 1L Auto Cartridges: Soothe, Protect & Brand Your Workplace Wellbeing

Treat hardworking hands to the ultimate post-work recovery with Modu Hygiene's Perfumed After-Work Reconditioner Cream. This bulk pack of **6 x 1L auto cartridges** is specifically designed for high-traffic commercial environments, providing a reliable and cost-effective solution for soothing and protecting skin after demanding tasks.

Our rich and fragrant formula helps to replenish lost moisture, relieve dryness, and promote skin health, leaving hands feeling soft, smooth, and subtly refreshed. Ideal for use in factories, workshops, healthcare settings, and any workplace where hands are exposed to harsh conditions or frequent washing. The convenient **auto cartridges** ensure hygienic dispensing and minimise waste, perfectly compatible with our range of automatic dispensers.

Key Features & Benefits:

- **Pleasant Perfume:** Leaves a subtle and refreshing fragrance, enhancing the user experience.
- **Bulk Pack (6 x 1L):** Economical and efficient for high-usage environments, reducing the need for frequent refills.
- **Hygienic Auto Cartridges:** Designed for use with automatic dispensers, ensuring touch-free dispensing and preventing contamination.
- **Promotes Skin Health:** Helps to restore the skin's natural barrier, protecting against further dryness and irritation.
- **Ideal for B2B Use:** Perfect for industrial, healthcare, manufacturing, and commercial settings.
