Modu Hygiene Perfumed Skin Conditioning Cream – 6x1L Cartridges: Soothe and Revitalise Hardworking Skin

For using after work

Treat hardworking hands and bodies to the ultimate post-work recovery with Modu Hygiene's Perfumed Skin Conditioning Cream. This bulk pack of 6 x 1-litre cartridges provides a cost-effective and efficient solution for businesses looking to care for their employees' skin after demanding tasks. Formulated to **soothe, moisturise, and revitalise dry and tired skin**, our conditioning cream helps to combat the effects of manual labour, frequent hand washing, and exposure to harsh environments.

Infused with a **subtle and refreshing perfume**, this after-work cream leaves skin feeling comfortable, soft, and lightly scented. Its non-greasy formula absorbs quickly, providing immediate relief and promoting skin health. Ideal for use in industrial settings, workshops, factories, construction sites, and any workplace where skin can become dry, chapped, or irritated.

Key Features:

- **Deeply Moisturising:** Replenishes lost moisture and helps to prevent dryness.
- **Soothing Relief:** Calms and comforts tired, overworked skin.
- **Subtle Perfume:** Leaves a light and refreshing scent.
- **Non-Greasy Formula:** Absorbs quickly without leaving a sticky residue.
- **Bulk Pack:** Economical pack of 6 x 1-litre cartridges reduces costs and ensures consistent supply.
- **Hygienic Cartridge System:** Designed for use with compatible Modu Hygiene dispensers, promoting hygiene and reducing waste.
- **Ideal for business sectors** Perfect for industrial, manufacturing, healthcare, and various commercial environments.
