

## Excel FLX Refillable Liquid Soap Dispenser 1L – White

Variant code: BC233FLX

### Modu Hygiene Excel FLX Refillable Liquid Soap Dispenser 1L – White: Premium Hygiene, Custom Branding

Elevate your washroom experience with the sleek and reliable **Modu Hygiene Excel FLX Refillable Liquid Soap Dispenser 1L in White**. Designed for high-traffic commercial environments, this durable soap dispenser offers a cost-effective and hygienic solution for handwashing. Its generous 1-litre capacity minimizes refill frequency, making it ideal for busy locations such as offices, restaurants, schools, healthcare facilities, and more.

The **Modu Hygiene Excel FLX dispenser** boasts a clean, white finish that complements any décor. Its robust construction ensures longevity, providing a dependable hand hygiene solution for your business. The **refillable design** offers significant cost savings compared to cartridge-based systems, allowing you to choose your preferred liquid soap and purchase in bulk. This not only reduces waste but also provides greater control over your hygiene supplies.

#### Key Features & Benefits:

- **1 Litre Capacity:** Reduces the need for frequent refills, ideal for high-usage areas.
- **Durable Construction:** Built to withstand the demands of commercial environments.
- **Hygienic and Easy to Clean:** Smooth, white surface is easy to wipe down and maintain optimal hygiene.
- **Refillable System:** Cost-effective and environmentally friendly, allowing you to use bulk liquid soap.
- **Versatile Application:** Suitable for a wide range of commercial washrooms.
- **Sleek White Design:** Modern and professional aesthetic that blends seamlessly with any setting.

#### Brand it Your Way: Add Your Own Business Logo!

Enhance your brand presence and create a professional, cohesive look in your washrooms.
